Dear Applicant,

The City of Lompoc Municipal Code, Chapter 5.48, regulates burglary and robbery alarms, authorizes imposition of permit fees and establishes fees for false alarms. Every business that has an alarm must file an application and receive a permit from the Lompoc Police Department.

- Application for permits and fees can be filed in person or by mail. Checks or money orders must be made payable to: Lompoc Police Department. Application fees are non-refundable.

PERMIT FEE SCHEDULE

New applications: \$10.00

Permit renewals: \$4.00

**Lompoc Police Department ATTN: Alarms
107 Civic Center Plaza
Lompoc, CA 93436**

- Permits are non-transferable.
- Permits are to be renewed every year before January 31st. Renewal reminders will be mailed to permit holders prior to January 31st; however, the alarm user is responsible for renewal prior to expiration date regardless of renewal notice receipt.
- It is the registered alarm permit holder's responsibility to inform the Lompoc Police Department of any required changes to responsible party emergency contact information. Notification is made by submitting an alarm permit form and checking the box that states 'Information Change' at the top of the form.
- A new permit is required when the permit holder changes alarm companies, moves, changes the business name, or there is a new resident or owner of the business. The permit holder is required to notify the permit office when moving to an address different from the original permit.
- The permit fee allows the permit holder four (4) false alarms in a calendar year (January 1 through December 31). A fifth false alarm, and each subsequent false alarm, will result in an administrative fee of \$170.00.
 - False alarms are determined by employee error and alarm malfunction.
